- ☑ Indicators for thermostat, turbo-start and service
- ☑ Extra hearthstone

PM 351ED-1 made in Phantom Black

PM 351ED-1 made in Royal Gold

Support PM 451-S equipped with Shelf support package SP-1

Royal Gold or Phantom Black polished stainless steel

Today many restaurants have an open kitchen and many times the oven is at focus. Our designers and engineers has worked together to create a unique option that will change the way we look at professional ovens. **Royal Gold or Phantom Black is an exterior optional that is a designers dream. A PizzaMaster® with this exclusive and unique design will be the jewel and centre piece in any restaurant.**

Marine Application

All PizzaMaster® CounterTop ovens can be adjusted for installation and operation in a marine environment. We can also supply the ovens with any preferred voltage.

High temperature version - XTREME Performance

932°F 500°C XTREME PERFORMANCE

Special 500° C / 932° F version makes it possible to bake special type of pizza like Napoli style, high temperature breads or other products that require a very high baking temperature.

Steam Option / Bakery version

All our ovens can be used as a bakery oven standard equipped with hearth stones. A powerful steam generator, placed and controlled on each deck. It is also possible to connect the oven to an extern steam generator.

Underbuilt cabinet for convenience and hygiene

Every PizzaMaster® oven can be equipped with a highly versatile underbuilt cabinet. The shelf supports and dividers in the cabinet can be adjusted almost infinitely, so that you can exploit the storage space optimally and use different sizes of tray and pizza pans at the same time. **The PizzaMaster® underbuilt cabinet can also be supplied as a proving cabinet**

Stainless steel Support

Very practical support all made in stainless steel make the placement for each CounterTop oven very easy. The support come as standard with two shelves and lockable castors. It has smooth surfaces and is very easy to clean. As an optional extra the support can be fitted with a shelf support system. **We have made for each support a shelf support package that will fit most applications, see table below. If further storage space is necessary it is possible to add more shelf support packages. Contact your nearest PizzaMaster® representative for further information regarding.**
